

## TEAM MANAGEMENT **WITHOUT URGENT CALLS**

Everything is visible in advance: who will be absent and what needs to be done

### Problem

You find out about issues at the **last moment**

**Solutions** happen through calls and messages

**Time** is lost on coordination

### Solution

Your team situation — **in one place**

**Issues** are visible in advance

**Actions** — without unnecessary calls

## OPEN IT ON **YOUR PHONE** AND INSTANTLY SEE:

who is working, who is absent, and where a replacement is needed

### Transparency

- See who is working — instantly
- No more “I thought you were coming today”

### Speed

- Fewer calls and approvals
- Issues are resolved in minutes, not hours

### Control

- The entire team situation — in one place
- No last-minute surprises
